

RENT

BULK CONTAINER RENTALS

APR maintains a fleet of collapsible 48"X45"X34" bulk boxes in stock, ready for quick shipment. APR's container rental program offers a low investment solution for companies looking for short-term bulk container needs such as bank builds, short-term production runs, temporary storage needs, and other similar situations. Other sizes may be available upon request.

Low Cost

- Significant savings over purchasing new container
- Only charged on a per box/per day basis after first month

Flexibility

- Customized rental programs designed to work for your unique needs and situation

Quality Guaranteed

- Rigorous quality checks and testing done on all containers to ensure your investment lasts as long as you need
